Vintage Weekend at Jane Brook Estate Wines

Jane Brook Estate Wines
229 Toodyay Road, Middle Swan

The legacy left by the hard-working Italians and Croatians who settled in the Swan Valley many decades ago should be celebrated and at Jane Brook we are happy to raise our glasses to our rich and colourful heritage.

Our very own cellar door is steeped in the history of our Mediterranean ancestors with our rare, luscious ports & fortified wines and our Back Block Shiraz from 70 year old vines. One of the pleasures of our years at Jane Brook is that we have cellared past vintages of Shiraz and we would love to share this with you. We will be conducting a vertical tasting of Shiraz from the 1990s through to our current vintage. This will be held from 11am - 12 noon on Saturday 16th & Sunday 17th at a cost of \$25 per person.

To celebrate our humble beginnings we are excited to offer you a European twist to our normal range of platters. On this Vintage Weekend you can try a delicious taste plate with a Mediterranean flavour and our chef, who has worked in Italy, has come up with a sensational Vignacourt Platter to honour the original name of the winery which you now know as Jane Brook. This will replace our normal range of platters for this weekend. A dessert taste plate with a European theme will add that sweet touch. Come and join us on this historical weekend.

Traditional Long Table Luncheon

Entopia Wines
61 Memorial Avenue, Baskerville

At Entopia this celebration will take the form of a traditional long table lunch on Sunday, March 17, 2013 to celebrate vintage and the promise of great wine. In autumn the valley colours are magnificent especially viewed from our verandah while enjoying good wine, good food and good company. Our small vineyard located on the east bank of the Swan River at Baskerville provides an idyllic setting for a long lazy lunch for up to 36 people with a feast of shared grazing food to complement our fine wines. The lunch will begin with wine tasting of our current wines and a talk by the owners of the history of the area and the vineyard, before we relax with the finished product and a professionally catered long lunch served by our family and friends.

Lunch will be served on the verandah at a table constructed from timber sourced from the Woolloomooloo jetty in Sydney and made by Michael Taylor, a local artist. The view from the verandah is over the vineyard to the Swan River and is scenic in all seasons.

The event will begin at 12.30pm and cost \$85 per person including wine tasting, the lunch with matched wines, and a complimentary bottle of Entopia wine of your choice to take home. Entopia wines will, of course, be available for purchase that day through the cellar door with a special 20% discount for case lots.
