Enjoy our gin and tonic or brandy eggnog on arrival followed by vintage sparkling with a prawn cocktail, & then roast chicken with all the trimmings with chardonnay and shiraz. Traditional sticky date pudding with our brandy butter with liqueur verdelho and to finish a cheese platter to share with liqueur shiraz.

Please discuss vegetarian and other dietary requirements before booking.

The evening kicks off at 6.30pm on July 27th with a welcome drink prior to sitting down for dinner at 7pm. The cost is \$99 per person.

### **Pizza for the Pruners - in August.**

Just a heads-up for next month - Harris Organic Wines will be holding Pruning for Pizza on Saturday August 17th at 3pm. We invite you to come out and help us with the pruning for a couple of hours in return for a hot wood-fired pizza from a wide selection of toppings and a glass or two of wine.

Pruners arrive at 3.00pm - please bring your own gloves, safety glasses/goggles and gumboots or old shoes.

No secateurs required - you will mainly be 'pulling off' vine canes from the training wires.

A pruning demonstration will be also given.

NB as we are a licensed facility only patrons over 18 years old please. Book via our online wine shop events section. For further information call us on 9296 0216, we only have space for 10 persons. Book now.
