The bottles are then hand disgorged, ready for your enjoyment. Don't delay Christmas orders.

Sparkling Chardonnay is available too of course at \$33 per bottle. Weekend tastings of our Sparkling Chardonnay are on every weekend during November. Go to our [Wine Shop](#) to order. We are open every day except Christmas (25th Dec.), Boxing Day (26th Dec.) 2012 and New Years Day.

What's Happening in the Vineyard – No rain in October to talk about. Although we did have some heavy downpours last weekend (42 mm), the overall rainfall (600mm) has been less this year and that means the threat of drought in our dry-grown vineyard, but the vineyard is managed closely by Duncan, who has ploughed in all the nitrogenous mulch so that it looks like Mocha out there! Smells good too. The Harris' go to the Barossa - We have just returned from a trip to the Barossa Valley in SA. It is a region of big wineries with very few small family owned operations like ours. One pleasant part of the trip was visiting Vive Le Difference! Anyway, after visiting the Barossa, we realise more than ever that the Swan Valley is doing rather well!
