

Harris Organic Wines

Harris Organic Wines was established in 1998. All our grapes are grown here at our non-irrigated, certified (ACO) organic vineyard, right here. All wines are made on-site by vigneron Duncan Harris.

Dry Whites

Verdelho

This organically grown Verdelho has a nose showing a little bottle development and some toasty characters. It has a dry, full big rich complex palate with nutty ripe tropical flavours and a clean finish. A great example of what can be done with good quality hand picked organic Swan Valley grapes.

Chardonnay

This Chardonnay is made from the fourth vintage from the Harris Organic Vineyard. This un-oaked style has aromas of creamy stone fruit on the nose that displays slightly more fruit intensity on the palate. The palate has good flavour intensity and ideal as an aperitif style or with good food. There's some quality fruit in there which has been well handled.

Dry Red

Shiraz

Shiraz from our organic vineyard was basket pressed and aged for 20 months. Our third certified Shiraz. Dry grown, non irrigated, hand-picked and basket pressed, All good stuff!

This Shiraz is a favourite with our wine writer. "I think this is the best wine yet from this producer". This is dark and dense in colour while the nose displays some wonderful spicy savoury dark chocolate aromas. On the palate it delivers with soft textural richness. The fruit has been layered perfectly with the subtle use of oak. Nice wine".

Malbec

Malbec from our organic vineyard was basket pressed, natural yeast fermented and aged for 12 months in American oak. "Lifted spicy fragrances merge into the rich savoury dark plum aromas. The palate is robust with ripe tannins and subtle oak in the background." It is good drinking now and will keep for several years.

Sweet

Rose Muscat - Moscato (750 mL)

The organic hand picked grapes produces a sweet table wine. This luscious sweet wine, has a nose of rose petals and has flavours of turkish delight and a delightful peach-stone finish. Pale pink, this light wine is a favourite with all of our friends. Alc.10 %. Drink now!

Pedro Ximenez

A burnished golden natural wine with a nose of natural honey and butterscotch – on the palate is thick and rich with complexity of spices and orange. It finishes with a lingering sweetness and flavours. A wine of great finesse! (NAP) No preservative or alcohol added, i.e., not fortified, a unique natural sweet wine. Alcohol only 11%.
