

Harris Organic Wines

Harris Organic Wines was established in 1998. All our grapes are grown here at our non-irrigated, certified (ACO) organic vineyard, right here. All wines are made on-site by independent vigneron Duncan Harris.

Dry Whites

Chenin Blanc

This organically grown Chenin Blanc has a nose showing a little bottle development and some toasty characters. It has a dry, rich complex palate with ripe flavours and a clean finish. Enjoy chilled on a summer day.

Verdelho

This organically grown Verdelho has a nose showing a little bottle development and some toasty characters. It has a dry, full rich complex palate with tropical flavours and a clean finish. A good example of what can be done with hand picked grapes.

Chardonnay

This organically grown Chardonnay has a nose showing a little bottle development and some clean characters. It has a dry, full rich palate with some ripe flavours and a clean finish. An example of some well handled fruit producing an easy drinking good quality organic wine from the hot climate Swan Valley.

Sparkling - Madeleine Claire

This traditional method sparkling wine is named after my daughter Madeleine Claire. Ripe organic chardonnay was hand picked at our organic vineyard which includes 375 Chardonnay vines. The fruit was crushed, destemmed and pumped into a ferment tank before draining and pressing. The ferment was started with our natural yeasts and continued at 20C. The ferment continued until the carbon dioxide gas production slowed. Once the sugar level was low the wine was pumped to tank with a little yeast lees for underground cellaring for 3 months. The wine was then sparkled and bottled to produce a brut style traditional method sparkling blanc de blanc.

Sparkling Shiraz

Ripe organic shiraz was hand-picked at our organic vineyard which includes 900 shiraz vines. The fruit was crushed, destemmed and pumped into a ferment tank to ferment on skins for a few days before draining and pressing. The ferment was started with our natural yeasts and continued at 20C. Once the sugar level was low the wine was pumped to casks with a little yeast lees for underground cellaring for 12 months. The wine was then sparkled and bottled to produce a brut style traditional method sparkling shiraz.

Reds

Shiraz

Shiraz from our organic vineyard was basket pressed, natural yeast fermented and aged for 20 months in American oak. "Lifted spicy fragrances merge into the rich savoury dark plum aromas. The palate is robust with ripe tannins and subtle oak in the background." It is good drinking now and will keep for several years.

Harris Organic Wines

Malbec

There is only one row of certified organic malbec in Western Australia. The grapes were basket pressed and aged in American oak for 9 months. The palate has excellent smoothness and berry flavours. Only 260 bottles produced.

The palate is smooth, with flavours of chocolate, cacao, vanilla, with fragrances of jasmine and frangipani on the nose. A delicious light red wine with perfect balance and a long finish. Drink now or keep for several years.
